ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

18 January 14, 2014

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF LEASE AGREEMENT FOR THE MANAGEMENT AND OPERATION OF THE
WHITTIER NARROWS COUNTY GOLF COURSE
(SUPERVISORIAL DISTRICT 1) (3 VOTES)**

SUBJECT

The recommended actions will award a 22 year and three month Lease Agreement with American Golf of Glendale for the management, operation, and maintenance of the Whittier Narrows County Golf Course from February 15, 2014 through May 31, 2036. The recommended action will ensure that the facility remains open and available to the public.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the approval of the attached Lease Agreement is categorically exempt from the California Environmental Quality Act because the Lease Agreement involves leasing of an existing facility with no expansion of an existing use, and for the reasons stated herein and the reasons reflected in the record of the Lease Agreement.
2. Approve and instruct the Director of the Department of Parks and Recreation to execute a 22 year and three month Lease Agreement with American Golf of Glendale for the management, operation, and maintenance of the Whittier Narrows County Golf Course, effective February 15, 2014, resulting in an estimated \$38,575,000 in rent revenue to the Department of Parks and Recreation's Operating Budget over the term of the Lease Agreement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow the Whittier Narrows County Golf Course (County Golf Course) to remain open for continued and uninterrupted service to the public by awarding of a

22 year and three month Lease Agreement (Attachment I) with American Golf of Glendale (American Golf). The Lease Agreement term is consistent with the remaining term of the Department of Parks and Recreation's (Department) Master Lease with the United States Army Corps of Engineers (ACOE), which owns the subject property, for the management and operation of the Whittier Narrows Recreational Facility, which includes the County Golf Course.

The County Golf Course is currently operated by VICO, LLC (VICO) on a month-to-month Agreement with Los Angeles County (County).

American Golf was the highest-ranked bidder for the management, operation, and maintenance of the County Golf Course as a result of a competitive solicitation process. The attached chart (Attachment II) delineates the rental fee schedule. A portion of the rental fee revenue will be deposited into the County Golf Course Capital Improvement Fund (Improvement Fund) to be used for improvements at the County Golf Course. The remaining amount will be deposited into the Department's Operating Budget to fund ongoing operations.

Implementation of Strategic Plan Goals

The proposed Lease Agreement will further the County's Strategic Plan of Operational Effectiveness (Goal 1) by maximizing the effectiveness of process, structure, and operations to support timely delivery of customer-oriented and efficient public service, and Fiscal Sustainability (Goal 2) by strengthening and enhancing the County's capacity to sustain essential County services through proactive and prudent fiscal policies and stewardship.

FISCAL IMPACT/FINANCING

Your Board's approval of the recommended actions will result in additional benefit to the County in the form of rental fees. Based on the terms of the recommended Lease Agreement, it is estimated that the Department's Operating Budget will realize County Golf Course estimated rent revenues of \$377,000 for Fiscal Year (FY) 2013-14 (four and one half months) and \$38,575,000 over the recommended Lease Agreement term. The revenue will be collected on a monthly basis, based on the rental fee schedule (Attachment II). Based on these projections, the Department will adjust its operating revenue estimates for FY 2013-14 and FY 2014-15, accordingly. The Department does not expect any operating cost increase resulting from the recommended Lease Agreement. Additional fiscal impact information is identified in Attachment III.

The recommended Lease Agreement's first-year rent obligation to the Department is 25 percent for driving range, cart rental, and green fees revenues. The rental obligation increases two percent annually for years one through four and one percent annually for years five through ten. Rent percentages reach a cap of 38 percent for years 11 through 22. In addition, the recommended Lease Agreement requires additional rent obligations to the Department at six percent of gross receipts for sale of merchandise; eight percent of gross receipts for sale of food and non-alcoholic beverages; 12 percent of gross receipts for sale of alcoholic beverages; and 25 percent of gross receipts for rental of facility rooms. Therefore, the recommended Lease Agreement's rent obligation to the Department is projected to generate \$377,000 in rent revenue for FY 2013-14 and \$1,005,000 for FY 2014-15. In addition, pursuant to the terms of the current operating agreement, VICO does not incur the water expense at the County Golf Course. Consequently, the water cost incurred by the Department for FY 2012-13 was \$530,000. Under the terms of the recommended Lease Agreement, American Golf shall be responsible for all water costs, incurred, including any future increase, thus resulting in a savings to the Department.

Additionally, prior to the commencement of the recommended Lease Agreement, American Golf shall deposit with the Department \$375,000, which shall be allocated to the Improvement Fund. Prior to the commencement of year three of the recommended Lease Agreement, American Golf shall deposit with the Department an additional \$375,000, which shall be allocated to the Improvement Fund. The current balance of the Improvement Fund is \$2,874,582. American Golf's anticipated contribution to the Improvement Fund will increase the balance to a total of \$3,624,582.

The Department currently anticipates using the Improvement Fund for the construction of a new banquet hall. The estimated cost to build the new banquet hall is \$2,000,000. The completion of this new facility is scheduled to be no later than three years from commencement of Lease Agreement. This new banquet hall is projected to increase rental revenues to the Department for food and beverage sales by \$2,850,000 over the term of the Lease Agreement. The Department will seek your Board's approval of the banquet facility project, or a substitute capital improvement project, prior to commencement of construction.

Per the Lease Agreement with the current operator, VICO, its rent obligation with the Department, is the greater of \$804,000 annually, or 44 percent of driving range, cart rental and green fee revenues. There are additional rents due, at a rent percentage between five percent and ten percent for food and beverage, merchandise, alcohol and miscellaneous sales. For FY 2012-13 VICO's rent obligation due to the Department was approximately \$1,294,000. VICO is currently delinquent in its rental obligation to the County. The Department, in conjunction with the Treasurer and Tax Collector, Auditor-Controller and County Counsel, is preparing to commence action for the recovery of rents due to County.

OPERATING BUDGET IMPACT

Based on the terms of the recommended Lease Agreement, it is estimated that the Department's Operating Budget will realize County Golf Course estimated rent revenues of \$377,000 for FY 2013-14 (four and one half months) and \$38,575,000, over the recommended Lease Agreement term. The revenue will be collected on a monthly basis, based on the rental fee schedule (Attachment II). Based on these projections, the Department will adjust its operating revenue estimates for FY 2013-14 and FY 2014-15, accordingly. The recommended Lease Agreement also has scheduled incremental increases to the rent revenues beginning in year five of the Lease Agreement and the Department will address these increases in its Operating Budget as they become material. The Department does not expect any operating cost increase, resulting from the recommended Lease Agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Board is authorized by the provision of Government Code Section 25907 to lease County parks and recreation real property for the provision of services and property improvements that are consistent with public park and recreation purposes. The proposed Lease Agreement is consistent with said purposes.

This Lease Agreement contains terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the Defaulted Property Tax Reduction Program, Los Angeles County Code 2.206; compliance with the County's smoking ban ordinance, Los Angeles County Code Title 17,

Sections 17.04.185 through 17.04.650; compliance with the County's policy on restricting its purchase and use of Expanded Polystyrene containers; participation in the County's Artificial Trans Fat Reduction Program; and the standard Board-directed clauses that provide for contract termination or renegotiation.

However, in order to ensure the continued viability of the County Golf Course, the Department recommends the following deviation from the County's standard terms and conditions:

Termination for Convenience: Due to the initial startup costs estimated at over \$1,000,000, the \$750,000 capital contribution, and the Lessee's ability to realize a fair profit over the term of the Lease Agreement, it is recommended, that the County not include the right for the County to terminate for convenience. It should be noted that the Department attempted to incorporate a Termination for Convenience clause in two prior golf course Request for Proposals (RFP). Neither of the two RFPs yielded a single response. A survey of eligible proposers revealed that the Termination for Convenience provision was the primary reason for not submitting a proposal. However, the provision for Events of Default remains in the Lease Agreement. Per the Lease Agreement, "Events of Default" is defined as follows: the failure of lessee to operate in the manner required by the Agreement, where such failure continues for more than ten days after written notice from the Director to correct the condition. The Department has reserved the right to close the County Golf Course prior to the termination of the Lease Agreement. In such case, the County shall reimburse lessee the non-amortized portion of its initial capital contribution of \$750,000. Based on the above reasons and justification, the Lease Agreement does not contain a Termination for Convenience provision.

American Golf has executed the attached Lease Agreement and will provide the required insurance policies prior to the start of this Lease Agreement naming the County of Los Angeles and the ACOE, as additional insureds.

The ACOE has reviewed and approved the Lease Agreement.

County Counsel has reviewed and approved the Lease Agreement as to form.

ENVIRONMENTAL DOCUMENTATION

The approval of the Lease Agreement is categorically exempt from the California Environmental Quality Act (CEQA) according to Section 15301 of the State CEQA Guidelines and Class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, because the Agreement involves leasing of an existing facility with no expansion of an existing use.

CONTRACTING PROCESS

On March 4, 2013, the Department issued a Request For Proposal (RFP) for the management, operation and maintenance of the said County Golf Course by posting the RFP on the County's "Doing Business with Us" website. The website included a link to download the solicitation package and bilingual instructions on how to contact the Department regarding this solicitation.

On March 21, 2013, a mandatory Proposers Conference was held and 20 potential proposers attended. A facility walk-through of the facility followed the conference.

On April 18, 2013 the Department received seven proposals. The proposals were reviewed by the Department's staff to ensure compliance with mandatory minimum requirements outlined in the RFP. All seven proposals were deemed to be responsive having met the minimum requirements and were forwarded to the Evaluation Committee for review. The Evaluation Committee consisted of two representatives from the golfing industry and one Department employee.

Using the Informed Averaging Scoring methodology, the evaluation committee evaluated each proposal based on the criteria identified in the RFP, which included: proposer's experience and qualifications; proposed revenue to the County; proposer's maintenance and operational plan; proposer's pro forma; and acceptance/exceptions to terms and conditions of the sample agreement. Based on these criteria, American Golf was the highest ranked proposer. One proposer requested and received a debriefing of its score.

It should be noted that upon final analysis and award, American Golf was selected without regard to gender, race, creed, or color. Proposer's minority participation is reflected as an attachment (Attachment IV).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current public services.

CONCLUSION

It is requested that an adopted copy of the action taken by the Board be mailed to American Golf of Glendale, Attention: Keith Brown, 6080 Center Drive, Suite 500, Los Angeles, CA 90045. In addition, it is requested that one adopted copy be sent to the Treasurer and Tax Collector, one adopted copy be sent to the Assessor, and three adopted copies be forwarded to the Department of Parks and Recreation.

6% for the sale, repair, rental of golf related merchandise, vending machine sales and/or commissions, ancillary

services and equipment related thereto, and any other miscellaneous sales

6.1.2 During the **first** year of the term of the Sublease:

25% from the driving range, golf cart rentals, greens fees, tournament fees, and Senior Cards

6.1.3 Commencing on the first day of the **second** year of the term of the Sublease:

27% from the driving range, golf cart rentals, greens fees, tournament fees, and Senior Cards

6.1.4 Commencing on the first day of the **third** year of the term of the Sublease:

29% from the driving range, golf cart rentals, greens fees, tournament fees, and Senior Cards

6.1.5 Commencing on the first day of the **fourth** year of the term of the Sublease:

31% from the driving range, golf cart rentals, greens fees, tournament fees, and Senior Cards

6.2 Commencing on the first day of the **fifth (5TH)** year of the Sublease, the Lessee shall pay the County a monthly amount equal to the greater of: (1) the monthly minimum as defined in Section 6.2.1 below; or (2) the sum of the percentages of the total monthly gross receipts as defined hereinabove and hereinafter.

6.2.1 The monthly minimum rent shall be established by taking **eighty percent (80%)** of the rent received during the **fourth (4TH)** year of the term of the Sublease and then dividing that amount by twelve.

6.2.2 Commencing on the first day of the **fifth (5TH) year of the term through the twenty-third (23RD)** year of the term of the Sublease, the percentage rent shall be determined as follows:

12% for the sale of alcohol

8% for the sale of food and non-alcoholic beverages

25% for facility and room rentals

6% for the sale, repair, rental of golf related merchandise, vending machine sales and/or commissions, ancillary services and equipment related thereto, and any other miscellaneous sales

6.2.3 Commencing on the first day of the **fifth** year of the term of the Sublease, the percentage rent shall be determined as follows:

32% from the driving range, golf cart rentals, greens fees, tournament fees, and Senior Cards

6.2.4 Commencing on the first day of the **sixth** year of the term of the Sublease, the percentage rent shall be determined as follows:

33% from the driving range, golf cart rentals, greens fees, tournament fees, and Senior Cards

6.2.5 Commencing on the first day of the **seventh** year of the term of the Sublease, the percentage rent shall be determined as follows:

6.2.8 Commencing on the first day of the **eleventh through the twenty-third** year of the term of the Sublease, the percentage rent shall be determined as follows:

38% from the driving range, golf cart rentals, greens fees, tournament fees, and Senior Cards

- 6.3 The monthly minimum amount established pursuant to Section 6.2.1 above, shall be subject to readjustment commencing with the first day of the **eighth (8TH)** year of Lessee's operation pursuant to this Agreement and at the end of each **third (3RD)** year period thereafter for the remainder of the term herein provided. The adjusted monthly minimum amount shall not be less than the preceding year's monthly minimum amount. The formula to be used in determining the adjusted monthly minimum rent shall be eighty percent (80%) of the average of the previous three (3) years of percentage rental due to the County by the Lessee, and then dividing the product by twelve. For example, assume that the percentage rental paid for the first and second year under review is \$500,000 for each year; the third year under review is \$575,000. Based on this assumption, the adjusted monthly minimum would be \$35,000 per month, because this is the amount that is the result of applying the percentage rental due for the three (3) years under review, adding them together ($\$500,000 + \$500,000 + \$575,000 = \$1,575,000$), dividing that total by three ($\$1,575,000/3 = \$525,000$), multiplying that figure by eighty percent (80%) ($\$525,000 \times 0.80 = \$420,000$) and then dividing by twelve ($\$420,000/12 = \$35,000$).
- 6.4 Commencing on the first day of the **sixth year** of the term of Sublease, the Lessee shall pay to the County, on monthly basis along with the rent to be paid to County, for deposit into the Whittier Narrows CIPF **one percent (1%)** of the previous month's total gross receipts received.
- 6.5 Lessee agrees to pay one dollar of each paid tournament registration fee collected in order to assist the County in funding the County's Junior Golf Program (JGP).
- 6.5.1 Lessee shall report, by separate line item, the aggregate of said payments derived from monthly tournament registration fees in the monthly revenue statement that accompanies its regular rent payment as required by the Sublease.

- 6.5.2 County agrees to use such funds for its JGP only, and shall make every reasonable attempt to provide junior camps, clinics, tournaments and other special events as frequently as possible in accordance with its goals to serve all golf courses within its system.
- 6.6 The parties acknowledge and agree that the County had previously established a Golf Course Capital Improvement Program Fund (CIPF) for the demised premises. Said CIPF names, and is administered by, County as its sole trustee. The distribution of moneys deposited, and any interest earned thereon, shall be based on County's and Lessee's approved Capital Improvement Program as set forth in Section 10 hereinafter.
- 6.6.1 Notwithstanding the Paragraph 6.5.1 above and effective the commencement date of the Lease, the Lessee agrees to collect the Golf Course Improvement Fee (GCIF), as outlined in Attachment D, Golf Course Green Fee Rates, and shall forward to the County one hundred percent (100%) of the GCIF collected.
- a. Said fees are not to be reported as a gross receipt and therefore, shall not be calculated in the rent to be paid to the County.
 - b. Lessee shall report, by separate line item, the aggregate of said payments derived from the GCIF in the monthly revenue statement that accompanies its regular rent payment as required by the sublease.
 - c. County agrees that one hundred percent (100%) of the GCIF will be deposited in a separate Capital Improvement Account exclusively for said funds.
 - d. Lessee agrees that the funds raised by the GCIF will be used for course improvements that directly affect the golfing experience at the course, including, but not limited to, refurbishment of greens, bunkers, tee boxes, etc., and major maintenance.
 - e. Within thirty (30) days of the date first above written, Lessee

shall submit a list of improvements to be funded from this GCIF and an implementation schedule to the Director for approval. Lessee shall, within thirty (30) days of receipt of Director's approval of the proposed improvements and the priority of funding those improvements, post in a public area of the golf course the approved list of improvements and schedule of project timelines so that the public can be aware of the golf course improvements to be funded from the GCIF. As improvements are completed, the Lessee shall update the posted list to reflect the implemented and planned improvements status. Lessee and the Director will coordinate updates to the list as appropriate so that the GCIF will be dedicated to improvements directly affecting the golfing experience. Nothing in this Sublease shall prevent the Lessee and Director from coordinating on the improvements to be funded, or prevent the Director from proposing projects or from determining priority of funding from the GCIF. As the parties agree that the intent of the GCIF is to augment funding to directly improve the golfing experience, the parties agree that: The Director is authorized to make the final determination on improvements to be funded by the GCIF if the parties fail to agree on the list and implementation schedule within six (6) months of the effective date of this Sublease.

- f. County reserves the right from time to time to audit and verify from the related books and records of the Lessee to ensure that disbursement of funds from the GCIF are in keeping with the provisions of this Sublease. In the event any disbursement of funds from the GCIF is not in accordance with the provisions of this Sublease, as determined by the Director, Lessee shall reimburse the County, for deposit into the GCIF, the shortage within thirty (30) days upon receipt of a written notice, plus an

amount equal to the interest that would have accumulated on the amount from the time of disbursement until repayment.

6.6.2 It is expressly understood by both parties that any and all distributions from said CIPF shall be used exclusively for Capital Improvements involving the demised premises. At the termination of this Agreement, all unexpended moneys shall be retained by the County.

6.7 When the Director and Lessee find that a percentage of gross receipts is not suitable or applicable for a particular activity not otherwise provided for herein, the Director may establish a minimum monthly amount and/or percentage of gross receipts as payment for the privilege of engaging therein. Said amount shall be set by mutual consent of the Director and Lessee and shall be reasonable in accordance with the revenue to be generated there from.

6.8 Payment shall be made to the Department on or before the fifteenth (15th) day of the calendar month following each month of the term of this Agreement. Payment shall be by check or draft and made payable to the County of Los Angeles Department of Parks and Recreation. **However, any check that is returned for non-sufficient funds, for any reason, the Lessee shall pay an additional thirty-three dollar (\$33) service fee.** Payments shall be mailed or otherwise delivered to the Treasurer/Tax Collector, P.O. Box 54927, Los Angeles, California 90054-0927. In addition, a late payment charge of two percent (2%) compounded per month shall be added to any late payment received by the Treasurer/Tax Collector after the fifteenth day of the month. However, the late payment charge herein provided may be waived, whenever the Director, in his sole discretion, finds the late payment excusable by reason of extenuating circumstances. At no time during the term of this Agreement shall the County be obligated to notify the Lessee of the accumulation of late payment charges.

7.0 CHANGES AND AMENDMENTS

- 7.1 The County's Board of Supervisors or its designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The Director reserves the right to add/or change such provisions as required by the County's Board of Supervisors. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Director and Lessee.
- 7.2 Notwithstanding the above, this document may be modified only by further written Agreement between the parties. Any such modification shall not be effective unless and until executed by Lessee and in the case of County, until approved by Board of Supervisors and the District Engineer.

8.0 ACCOUNTING RECORDS

- 8.1 All sales shall be recorded by means of cash registers which publicly display the amount of each sale and automatically issue a customer's receipt or certify the amount recorded on a sales slip. Said cash registers shall in all cases have locked-in sales totals and transaction counters which are constantly accumulating and which cannot, in either case, be reset. In addition, such cash registers must have a tape located within the register upon which transaction numbers and sales details are imprinted. Beginning and ending cash register readings shall be made a matter of daily record. In the event of a technical or electrical failure of the cash registers, Lessee shall record by hand all collections, and issue a sequentially pre-numbered customer's receipt in like manner.
- 8.2 Lessee shall furnish the Director with a monthly gross receipts report showing the amount payable there from to the County. Such a report shall accompany each monthly payment required to be made as provided herein. The monthly reporting period shall be by calendar month rather than monthly anniversary date of the effective date of this Agreement. In addition thereto, Lessee shall furnish an annual profit and loss statement and a balance sheet prepared by a person and in a form acceptable to the County. The annual profit and loss statement shall be submitted to the

Golf Operations Office within sixty (60) days of the close of the calendar year.

- 8.3 Lessee shall maintain a method of accounting which shall, to the satisfaction of the Auditor-Controller, correctly and accurately reflect the gross receipts and disbursements of Lessee in connection with the operation. The method of accounting, including bank accounts, established for said operation shall be separate from the accounting system used for any other business operated by Lessee or for recording Lessee's personal financial affairs. Such method shall include the keeping of the following documents:

8.3.1 Regular books of accounting such as general ledgers;

8.3.2 Journals including any supporting and underlying documents such as vouchers, checks, tickets, bank statements, etc.;

8.3.3 State and Federal income tax returns and sales tax returns and checks and other documents providing payment of sums shown which shall be kept in confidence by County;

8.3.4 Cash register tapes (daily tapes may be separated but shall be retained so that from day to day the sales and/or rentals can be identified);

8.3.5 Any other accounting records that the Auditor-Controller deems necessary for proper reporting of receipts;

- 8.4 All documents, books and accounting records shall be open for inspection and re-inspection at any reasonable time during the term of this Agreement and for five (5) years thereafter. In addition, the County may from time to time conduct an audit and re-audit of the books and business conducted by Lessee and observe the operation of the business so that accuracy of the above records can be confirmed. All information obtained in connection with the County's inspection of records or audit shall be treated as confidential information and exempt from the public disclosure thereof to the extent permitted under the California Public Records Act.

- 8.5 In the event that an audit or review conducted by the Auditor-Controller and/or Director finds that, due to Lessee's non-compliance with its obligation to report gross receipts received in connection with its operations authorized herein, an actual loss and/or a projected loss of revenue to County can be determined, Director may, at his option, (1) bill Lessee for said losses, said amount to be paid to County within thirty (30) days following billing therefore unless otherwise specified by Director; and/or (2) use the Security Deposit as provided for herein; and/or, (3) assess liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Lessee to correctly report gross receipts, and a projected loss of revenue due to County. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is Two Hundred Fifty Dollars (\$250.00) per day for each day of the loss period as determined by County, and that the Lessee shall be liable to the County for liquidated damages in said amount.
- 8.6 Should the Director find that the additional rental payment due to County exceeds two percent (2%) of the total amount which should have been paid as determined by such review or audit and observation, and there being no reasonable basis for the failure to report and pay thereon, Lessee shall also pay the cost of the audit as determined by County and pay any penalty heretofore provided for the delinquent payments.

9.0 SECURITY DEPOSIT

- 9.1 Prior to the commencement of this Agreement, Lessee shall pay to the Director the sum of **One Hundred Twenty-Five Thousand Dollars (\$125,000)** in the form of a cashier's check made payable to the Department of Parks and Recreation.
- 9.2 Said Security Deposit shall serve as security for faithful performance of all covenants, promises and conditions assumed herein by Lessee, and may be applied in satisfaction and/or mitigation of damages arising from a breach thereof, including, but not limited to, delinquent payments;

correction of maintenance deficiencies; securing required insurance; loss of revenue due to abandonment, vacation or discontinuance of Lessee's operation; discrimination; refunding of deposits for scheduled future events which are required to be canceled due to abandonment, vacation or discontinuance of Lessee's operation; a breach of obligations assumed by Lessee herein with respect to the requirements therefore by County, including the payment of mechanic's liens. Application of amounts on deposit in satisfaction and/or mitigation of damages shall be without prejudice to the exercise of any other rights provided herein or by law to remedy a breach of this Agreement.

- 9.3 In the event any or all of said amount is applied in satisfaction and/or mitigation of damages, Lessee shall immediately deposit such sums as are necessary to restore the Security Deposit to the full amount required hereunder.
- 9.4 Said Security Deposit shall be returned to Lessee upon termination of this Agreement less any amounts that may be withheld there from by County as heretofore provided.

10.0 REQUIRED CAPITAL IMPROVEMENT PROGRAM

- 10.1 Lessee shall prepare and annually submit for the review and approval by the Director and the District Engineer, a proposed list of Capital Improvement Program (CIP) projects. Said list shall describe each proposed project, the estimated improvement costs, and the intended time frame for commencement and completion of each proposed project. Implementation of the approved CIP project list shall be subject to the requirements set forth herein and in the Manual.
- 10.2 Lessee shall submit its proposed CIP list to the Director prior to the end of the first year of the term of this Agreement, and thereafter on an annual basis. Director shall notify Lessee of the approval, disapproval, or modification of said list within one hundred eighty (180) days following receipt of same. Director and Lessee may agree, from time to time that various capital improvement(s) mutually agreed upon, shall

be completed as necessary to improve and/or ensure the usability of the premises. In the event that the Director and Lessee do not mutually agree upon capital improvement(s), then the Director has, at all times, the final decision on capital improvement(s) approval and implementation.

- 10.3 Prior to commencement of construction, Lessee shall obtain the District Engineer's and the Director's written approval of all plans, specifications and construction cost estimates, using a minimum of three bids or proposals, for the improvements to be constructed upon the demised premises. No modification of said plans, specifications, or improvements, including landscaping, shall be made by Lessee without approval thereof by the Director and the District Engineer. Lessee agrees that County may have on the site at any time during the construction an inspector who shall have the right of access to the premises and the construction work.
- 10.4 The parties agree that any delay in the construction due to fire, earthquake, war, labor dispute or other events beyond the control of Lessee shall extend the time in which said construction must be completed by the length of time of such delay.
- 10.5 Lessee shall construct, perform, complete and maintain all construction and installations covered by this Agreement in a good and workmanlike manner and with high quality materials, and shall furnish all tools, equipment, labor and material necessary to perform and to complete same. Upon completion of the improvements, Lessee shall furnish the Director with one (1) complete set of as-built construction drawings on Mylar or its equivalent acceptable to the Director (all circuit breakers, mechanical equipment, switches, plumbing and fire sprinkler section and main valves shall be plainly labeled and a master index shall be provided); operating manuals for building equipment and systems; and copies of all written warranties. Upon termination of this Agreement whether by expiration of term or cancellation, Lessee

shall assign to County all express warranties furnished by other persons in connection with the provision of labor and/or material to the works of improvement covered by this Agreement. Upon review by and consultation with County's Risk Manager, Lessee shall provide such insurance coverage as Director may reasonably deem necessary for the contemplated CIP project.

- 10.6 Commencement of construction shall occur after the Lessee receives an advance payment from the County. 15.3.4 In the event that, following service of the Notice of Cancellation of this Agreement under the provisions of this clause, the Director, in his sole discretion, it is determined that the Lessee was not in default under the provisions of this clause, that the default was excusable under provisions of this clause, or Lessee has, to the satisfaction of the Director, cured any default, the Director shall issue, within five (5) business days, a rescission of the Notice of Cancellation, and the rights and obligations of the parties shall be the same as if the Notice of Cancellation had not been issued.

15.4 COMPLIANCE WITH CIVIL RIGHTS LAW

The Lessee hereby assures that it will comply with Subchapter VII of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be

15.6 LESSEE'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO CHILD SUPPORT ENFORCEMENT

Lessee acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. County's District Attorney will supply Lessee with the poster to be used.

15.7 LESSEE'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Lessee acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Lessee understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Lessee's place of business. The Lessee will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Lessee with the poster to be used.

15.8 LESSEE'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

15.8.1 Lessee acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured toll) in order to mitigate the economic burden otherwise imposed upon County and its tax payers.

15.8.2 Unless Lessee qualifies for an exemption or exclusion, Lessee warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Sublease will maintain compliance, with Los Angeles County code Chapter 2.206.

15.9 LESSEE'S NON-COMPLIANCE AND LIQUIDATED DAMAGES

15.9.1 In the event the Director determines that there are deficiencies in Lessee's operations authorized and required herein, the Director will provide, as specified herein in the section of this Agreement entitled Events of Default, a written notice to the Lessee to correct said deficiencies within specified time frames.

15.9.2 In the event that Lessee fails to correct the deficiencies within the prescribed time frames the Director may, at his option: (1) use the Security Deposit as provided for herein, (2) exercise its rights under the Sub-Section 15.27 (Right of Entry) and/or (3) assess liquidated damages. The parties agree that it would be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Lessee to comply with the obligations for Use Granted herein authorized and required. The parties hereby agree that under the current circumstances a reasonable estimate of such damage is \$250.00 per day for each day of the period of time that the deficiencies exist, and that Lessee

shall be liable to County for liquidated damages in said amount.

15.10 LESSEE RESPONSIBILITY AND DEBARMENT

15.10.1 Responsible Lessee

A responsible Lessee is a Lessee who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Agreement. It is the County's policy to conduct business only with responsible Lessees.

15.10.2 Chapter 2.202 of the County Code

The Lessee is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Lessee on this or other Agreements which indicates that the Lessee is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Lessee from bidding or proposing on, or being awarded, and/or performing work on County agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing agreements the Lessee may have with the County.

15.10.3 Non-responsible Lessee

engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

15.10.4 Contractor Hearing Board

1. If there is evidence that the Lessee may be subject to debarment, the Department will notify the Lessee in writing of the evidence which is the basis for the proposed debarment and will advise the Lessee of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Lessee and/or the Lessee's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Lessee should be debarred, and, if so, the appropriate length of time of the debarment. The Lessee and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed

decision and recommendation of the Contractor Hearing Board.

4. If a Lessee has been debarred for a period longer than five (5) years, that Lessee may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Lessee has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Lessee has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing

Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

15.10.5 Subcontractors of Lessee

These terms shall also apply to Subcontractors of County Lessees.

15.11 LESSEE'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

- 15.11.1 Lessee acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through this Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
- 15.11.2 As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Lessee's duty under this Agreement to comply with all applicable provisions of law, Lessee warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or

District Attorney Notices of Wage and Earnings Assignment for child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

15.12 CONFLICT OF INTEREST

15.12.1 No County employee whose position with the County enables such employee to influence the award of this Agreement or any competing Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Lessee or have any other direct or indirect financial interest in this Agreement. No officer or employee of the Lessee who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

15.12.2 The Lessee shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. The Lessee warrants that it is not now aware of any facts that create a conflict of interest. If the Lessee hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances.

15.13 COUNTY'S QUALITY ASSURANCE PLAN

The County or its agent will evaluate Lessee's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Lessee's compliance with all Agreement terms and

performance standards. Lessee deficiencies that County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected, will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Lessee. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

15.14 EVENTS OF DEFAULT

- 15.14.1 The abandonment, vacation or discontinuance of operations on the Demised Premises for more than five (5) days consecutive days, without approval thereof by the Director.
- 15.14.2 The failure of Lessee to punctually pay or make the payments required herein when due, where the delinquency continues beyond ten (10) days following written notice for payment thereof.
- 15.14.3 The failure of Lessee to operate in the manner required by this Agreement, where such failure continues for more than ten (10) days after written notice from the Director to correct the condition.
- 15.14.4 The failure to maintain the Demised Premises and the improvements constructed thereon in the state of repair required herein, and in a clean, sanitary, safe and satisfactory condition, where such failure continues for more than ten (10) days after written notice from the Director to correct the condition.
- 15.14.5 The failure of Lessee to keep, perform and observe all of the other promises, covenants, conditions and agreements set forth in this Agreement, where such failure continues for more than thirty (30) days after written notice from the Director for correction thereof, provided that where fulfillment

of such obligation requires activity over a period of time and Lessee shall have commenced to perform whatever may be required to cure the particular default within ten (10) days after such notice and continues such performance diligently, said time limit may be waived in the manner and to the extent allowed by the Director.

15.14.6 Determination by the County, the California Fair Employment and Housing Commission, or the Federal Equal Employment Opportunity Commission of discrimination having been practiced by Lessee in violation of State and/or Federal laws thereon.

15.14.7 Transfer of the majority controlling interest of Lessee to persons other than those who are in control at the time of the execution of this Agreement without approval thereof by the Director.

15.16 FORCE MAJEURE

15.16.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods,

epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").

15.16.2 Notwithstanding the foregoing, a default by a subcontractor of Lessee shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Lessee and such subcontractor, and without any fault or negligence of either of them. In such case, Lessee shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Lessee to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

15.16.3 In the event Lessee's failure to perform arises out of a force majeure event, Lessee agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

15.17 GOVERNING LAW, JURISDICTION, and VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Lessee agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees

and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

15.18 INDEPENDENT LESSEE

Lessee understands and agrees that all persons furnishing services on behalf of Lessee pursuant to this Agreement are, for purposes of Worker's Compensation Liability, employees solely of Lessee and not of County. Lessee shall bear the sole responsibility and liability for furnishing Workers' Compensation benefits to any person for injuries arising from or connected with services on behalf of Lessee pursuant to this Agreement.

15.19 INDEMNIFICATION

The Lessee shall indemnify, defend and hold harmless the County, its Special Districts, the United States, the County of Los Angeles Flood Control District, their elected and appointed officers, employees, agents, and volunteers ("County Indemnitees") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Lessee's acts and/or omissions arising from and/or relating to this Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees. Lessee's duty to indemnify the County, the United States, and the County of Los Angeles Flood Control District, their agents, officers, and employees shall survive the expiration or other termination of this Agreement.

15.20 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Lessee's indemnification of County and the United States, and in the performance of this Agreement and until all of its

obligations pursuant to this Agreement have been met, Lessee shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 15.20 and 15.21 of this Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Lessee pursuant to this Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Lessee for liabilities which may arise from or relate to this Agreement.

15.20.1 Evidence of Coverage and Notice to County

- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Sublease by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Lessee identified as the contracting party in this Sublease. Certificates shall provide the full name of

each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Lessee, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Parks and Recreation
Contracts, Golf and Special Districts Division
301 North Baldwin Avenue
Attention: Kandy Hays, Chief

Lessee also shall promptly report to County any injury or property damage accident or incident, including any injury to a Lessee employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Lessee. Lessee also shall promptly notify County of any third party claim or suit filed against Lessee or any of its Sub-Contractors which arises from or relates to this Sublease, and could result in the filing of a claim or lawsuit against Lessee and/or County.

15.20.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, the County of Los Angeles Flood Control District, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured

The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

15.20.3 Cancellation of or Changes in Insurance

Contractor shall provide County with, or Contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

15.20.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which

County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

15.20.6 Lessee's Insurance Shall Be Primary

15.20.7 Waivers of Subrogation

To the fullest extent permitted by law, the Lessee hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Sublease. The Lessee shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to affect such waiver.

15.20.8 Sub-Contractor Insurance Coverage Requirements

Lessee shall include all Sub-Contractors as insureds under Lessee's own policies, or shall provide County with each Sub-Lessee's separate evidence of insurance coverage. Lessee shall be responsible for verifying each Sub-

Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the County and Lessee as additional insureds on the Sub-Contractor's General Liability policy. Lessee shall obtain County's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

15.20.9 Deductibles and Self-Insured Retentions (SIRs)

Lessee's policies shall not obligate the County to pay any portion of any Lessee deductible or SIR. The County retains the right to require Lessee to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Lessee's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

15.20.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Sublease. Lessee understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Sublease expiration, termination or cancellation.

15.20.11 Application of Excess Liability Coverage

15.20.13 Alternative Risk Financing Programs

The County reserves the right to review, and then approve, Lessee use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents shall be designated as an Additional Covered Party under any approved program.

15.26 PUBLIC RECORDS ACT

15.26.1 Any documents submitted by Lessee; all information obtained in connection with the County's right to audit and inspect Lessee's documents, books, and accounting records pursuant to Paragraph 8.0 of this Agreement; as well as those documents which were required to be submitted in response to the solicitation process for this Agreement, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those

elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order of court of competent jurisdiction.

- 15.26.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Lessee agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in any action or liability arising under the Public Records Act.

15.27 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Lessee agrees to use recycled-content paper to the maximum extent possible on this Agreement.

15.28 RIGHT OF ENTRY

- 15.28.1 Any officers and/or authorized employees of the Corps of Engineers and County may enter upon the Demised Premises at any and all reasonable times for the purpose of determining whether or not Lessee is complying with the terms and conditions hereof, or for any other purpose incidental to the rights of the County within the Demised Premises.
- 15.28.2 In the event of an abandonment, vacation or discontinuance of operations for a period in excess of five (5) days, Lessee hereby irrevocably appoints County as an agent for

continuing operation of the use granted herein, and in connection therewith authorizes the officers and employees thereof to (1) take possession of the Demised Premises, including all improvements, equipment and inventory thereon; (2) remove any and all persons or property on said Demised Premises and place any such property in storage for the account of and at the expense of Lessee; (3) sublease or sublicense the Demised Premises; and (4) after payment of all expenses of such subleasing or sublicensing, apply all payments realized there from to the satisfaction and/or mitigation of all damages arising from Lessee's breach of this Agreement. Entry by the officers and employees of County upon the Demised Premises for the purpose of exercising the authority conferred hereon as agent of Lessee shall be without prejudice to the exercise of any other rights provided herein or by law to remedy a breach of this Agreement.

15.28.3 No re-entry or taking of the Demised Premises by County pursuant to Sub-Paragraph 15.28.2 of this section shall be construed as an election to terminate this Agreement unless a written notice of such intention is given to Lessee or unless the termination thereof is decreed by a court of competent jurisdiction.

15.29 SEVERABILITY

If any provision of this Agreement is determined to be illegal, invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall not be affected thereby and shall remain in full force and effect.

15.30 SUBLEASES

15.30.1 Lessee shall not, without the prior written consent of the Director and the District Engineer, sublease any portion of

the Demised premises, or sublease any of the operation or activities authorized or required by this Agreement.

- 15.30.2 In the event the County determines that the Lessee has violated the sublease provision contained herein, the same shall constitute a material breach of Agreement upon which the County may, in its sole discretion, determine to cancel, terminate, or suspend this Agreement, or assess liquidated damages. The parties agree that it would be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Lessee to comply with the sublease provision. The parties hereby agree that under the current circumstances a reasonable estimate of such damage is One Thousand Dollars (\$1,000.00) and that the Lessee shall be liable to County for liquidated damages in said amount.

15.31 SURRENDER OF DEMISED PREMISES

- 15.31.1 Upon termination, expiration of the term hereof, or cancellation thereof as herein provided, Lessee shall peaceably vacate the Demised premises and any and all improvements located thereon and deliver up the same to County in a reasonably good condition, ordinary wear and tear excepted, subject to the right of County to demand removal thereof to the extent that Paragraph 3.6 hereinbefore may be applicable thereto.
- 15.31.2 Upon expiration of the term, Lessee shall execute and deliver to County within thirty (30) days after service of written demand, a good and sufficient quitclaim deed of the Lessee's interest in this Agreement and the Demised premises. Should Lessee fail or refuse to deliver to County a quitclaim deed as aforesaid, a written notice by County reciting the failure of the Lessee to execute and deliver the

quitclaim deed shall, after ten (10) days from the date of recordation of the notice, be conclusive evidence against Lessee and all persons claiming under Lessee, of the termination of this Agreement.

15.32 TAXES AND ASSESSMENTS

15.32.1 The property interest conveyed herein may be subject to real property taxation and/or assessment thereon, and in the event thereof, Lessee shall pay before delinquency all lawful taxes, including but not limited to possessory interest taxes, assessments, fees or charges which at any time may be levied by the State, County, City or any other tax or assessment-levying body upon the Demised premises and any improvements located thereon.

15.32.2 Lessee shall also pay all taxes, assessments, fees and charges on goods, merchandise, fixtures, appliances and equipment owned or used therein.

15.33 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE

Failure of Lessee to maintain compliance with the requirements set for in Sub-section 15.11, Lessee's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default by Lessee under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure to cure such default within 90 days of notice by the Los Angeles County District Attorney shall be grounds upon which the County Board of Supervisors may terminate this Agreement pursuant to Sub-Section 15.3, Cancellation.

15.34 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Lessee to maintain compliance with the requirements set for in Paragraph 15.8, Lessee's Warranty of Compliance with County's

Defaulted Property Tax Reduction Program, shall constitute default under this Sublease. Without limiting the rights and remedies available to County under any other provisions of this contract, failure of Lessee to cure such default within 10 days of notice shall be grounds upon which County may terminate this Sublease and/or pursue debarment of Lessee, pursuant to County code chapter 2.206.

15.35 TERMINATION FOR IMPROPER CONSIDERATION

- 15.35.1 County may, by written notice to Lessee, immediately terminate the right of Lessee to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Lessee, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Lessee's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Lessee as it could pursue in the event of default by the Lessee.
- 15.35.2 Lessee shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the Auditor-Controller's Fraud Hotline at (800) 544-6861 or to such other number as may be provided to Lessee in writing by County
- 15.35.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

15.36 TERMINATION FOR INSOLVENCY

15.36.1 The County may terminate this Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Lessee. The Lessee shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Lessee is insolvent within the meaning of Federal Bankruptcy Code;

15.36.2 To the extent permitted by law, the County may terminate this Agreement forthwith in the event of the occurrence of any of the following:

- The filing of a voluntary or involuntary petition regarding the Lessee under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for Lessee; or

15.36.3 The rights and remedies of County provided in this Sub-Section 15.36 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

15.37 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

Lessee and each County Lobbyist or County Lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Lessee, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code 2.160. Failure on the part of Lessee or any County Lobbyist or County lobbying firm retained by Lessee to fully comply with the County Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

15.38 TERMINATION UPON TRANSFER OF TITLE OR GOLF COURSE CLOSURE

15.38.1 Notwithstanding any other provision of this Agreement, in the event the United States Army Corps of Engineers (USACOE) transfers its interest in the Whittier Narrows Regional Recreation Area and the Demised Premises to an assignee, or otherwise terminates the Master Lease between the USACOE and County, such transfer or termination shall be subject to the terms and conditions of the Master Lease between USACOE and County. In the event the Master Lease is terminated as a result of the above described transfer, this Sublease shall also terminate. County shall provide the Lessee with notice of termination or assignment of this Agreement pursuant to this provision.

15.38.2 Notwithstanding any other provision of this Agreement, in the event the County closes the Whittier Narrows Regional Recreation Area and the Demised Premises, or a portion(s) thereof, this Agreement shall be terminated upon the effective date of such closure. Upon the effective date of closure, Lessee shall immediately cease its operations, and within fifteen (15) days there from remove all items of its personal property, equipment, and inventory. County shall provide advance notice to the Lessee of such closure. For a closure to be effective and this Lease terminated as described above, County shall not engage in golf related activities at the Demised Premises at any time during the originally contemplated term of this Agreement following said closure, without Lessee's written consent. County and Lessee expressly agree that any closure prior to the fifteenth (15th) Agreement Year will only occur if County and Lessee mutually consent to such Closure and in the event Lessee

provides consent to said closure the provisions of the immediately preceding sentence shall not apply. However, Lessee's consent to close the golf course shall not be required if said closure of the golf course is a result of the termination of the Master Lease between the USACOE and County.

- 15.38.3 In the event of a termination described in 15.38.1 and 15.38.2 above, the County shall pay Lessee an amount equal to the unamortized portion of Lessee's actual and documented capital investment amount expended, plus any interest accrued on unamortized portion to the CIPF, not to exceed \$750,000, on a straight line basis from the date of execution to the date of termination.

15.39 TRANSFERS

- 15.39.1 Lessee shall not assign its rights, delegate its duties, sublease, hypothecate, or mortgage this Agreement, whether in whole or in part, with or without consideration, without the prior written consent of County. Any attempted assignment, delegation, sublease license, hypothecation, or mortgage without the consent shall be null and void, and at County's sole discretion, such assumption, assignment, delegation, or takeover of any of the Lessee's duties, responsibilities, obligations, or performance of same by any entity other than the Lessee, without County's express prior written approval, may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against the Lessee as it could pursue in the event of a default by Lessee. For purposes of this paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by

County to any approved delegate or assignee on any claim under the Agreement shall be deductible, at County's sole discretion, against the claims which Lessee may have against County.

15.39.2 Each and all of the provisions, agreements, terms, covenants and conditions herein contained to be performed by Lessee shall be binding upon any transferee thereof.

15.39.3 The use granted shall not be transferable by testamentary disposition or the State laws of interstate succession, as the rights, privileges, and use conferred by this Agreement shall terminate prior to the date for expiration thereof in the event of the death of Lessee occurring within the term herein provided. Additionally, neither this Agreement nor any interest therein shall be transferable in proceedings in attachment or execution against Lessee, or in voluntary or involuntary proceedings in bankruptcy or insolvency or receivership taken by or against Lessee, or by any process of law including proceedings under Chapter X or XI of the Bankruptcy Act.

15.39.4 Shareholders, partners, members or other equity holders of Lessee may transfer, sell, exchange, assign or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment or divestment is affected in such a way as to give majority control of Lessee to any person(s), corporation, partnership or legal entity other than the majority controlling interest therein at the time of the execution of this Agreement, such disposition is an assignment requiring the prior written consent of the County in accordance with applicable provisions of this Agreement and the transfer fee provided in Section 15.39.6 shall be assessed. Consent to any such

transfer shall be refused if the Director, in his sole discretion, finds that the transferee is lacking in experience and/or financial ability to conduct the operation of the Whittier Narrows County Golf Course.

- 15.39.5 At any time prior to the end of the **fifth (5TH)** year of the term of this Sublease Agreement, the Director may determine this Sublease Agreement null and void in the event that any of the qualifying individuals of the leasehold entity at the time of execution of this sublease agreement is/are no longer a partner in said entity, unless that individual is replaced by an individual who, in the Director's sole discretion, possesses the necessary qualifications and experience identified in the Request for Proposal (RFP). The Director's ability to determine the Sublease Agreement null and void shall be effectuated by providing Lessee with sixty (60) days written notice of such determination.
- 15.39.6 Any initial transfer, sale, exchange, assignment, or divestment of its rights and obligations pursuant to this Agreement, as described in Paragraph 15.39.4 above, shall result in the Lessee paying to the County a transfer fee of \$100,000. For any subsequent transfer, sale, exchange, assignment or divestment of its rights and obligations pursuant this Agreement, as described in Paragraph 15.39.4 above, Lessee shall pay County a transfer fee equal to the greater of: (1) \$50,000 or (2) two percent (2%) of the greater of (a) the gross sale price or (b) the fair market value of Lessee's interest in the concession . The Director, in his sole discretion, may require Lessee to obtain, at Lessee's sole cost, an appraisal of the FMV of the Lessee's interest in the concession. The Director, at his sole discretion, may have the appraisal reviewed by an independent appraiser

retained by County. The Director then reserves the right to require the Lessee, at Lessee's sole cost, to obtain an additional appraisal by a different appraiser. Said sum shall be payable to the County of Los Angeles Department of Parks and Recreation in full either within thirty (30) days after said consent is given or prior to the close of any escrow, whichever occurs first. Prior to Director's consent to such assignment, the assignor shall first deliver to assignee a written schedule of all sums due and owing to County from the assignor with such schedule in a form subject to the approval of the Director in all respects, and second, shall deliver to Director, as part of the acceptance of the assignment, a written acknowledgment by the assignee that the assignee (a) affirms the sums due and owing to County and (b) accepts responsibility for payment of such sums directly to County. Exempted from said transfer fee shall be the following:

- a. A transfer of an undivided interest in the agreement between affiliated entities which results in a change in method of holding title, but does not result in a change to the proportional interests held by the affiliated entities prior to the transfer;
- b. An assignment which serves as security for the repayment of a loan from any lender, but which does not entitle the assignee to an immediate right to use, occupy, possess or receive the rents or profits from the agreement for so long as the assignor makes the required periodic payments and complies with other provisions of the loan;
- c. Such other assignment for which the Director, in his sole discretion, determines that the ownership interests

in the agreement have remained unchanged, such as a change in the legal or fictitious name of the Lessee without any other change in the equity, in beneficial use of, or legal title to the agreement as an asset, or the income produced thereby. The Director's decision in such cases shall be appealable to the Board of Supervisors within ten (10) days after receipt of written notice of the Director's decision. Any such appeal request shall be accompanied by a Certificate of Deposit filed with the Director in the full amount of the transfer fee; the Certificate of Deposit shall be payable to County of Los Angeles Department of Parks and Recreation, and the interest thereon shall accumulate, but the principal sum and interest shall remain the property of Lessee in the event the Director's decision is reversed.

15.40 WAIVER

- 15.40.1 Any waiver by County of any breach of any one or more of the covenants, conditions, terms and Agreements herein contained shall not be construed to be a waiver of any subsequent or other breach of the same or of any other covenant, condition, term or Agreement herein contained, nor shall failure on the part of County to require exact, full and complete compliance with any of the covenants, conditions, terms or agreements herein contained be construed as in any manner changing the terms of this Agreement or stopping County from enforcing the full provisions thereof.
- 15.40.2 No delay, failure, or omission of County to re-enter the Demised Premises or to exercise any right, power, privilege or option, arising from any default, nor any subsequent

acceptance of payments then or thereafter accrued shall impair any such right, power, privilege or option, or be construed as a waiver of or acquiescence in such default or as a relinquishment of any right.

15.40.3 No notice to Lessee shall be required to restore or revive "time of the essence" after the waiver by County of any default.

15.40.4 No option, right, power, remedy or privilege of County shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options and remedies given County by this Agreement shall be cumulative.

15.41 WARRANTY AGAINST CONTINGENT FEES

15.41.1 The Lessee warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Lessee for the purpose of securing business.

15.41.2 For breach of this warranty, the County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

15.42 ARTIFICIAL TRANS FAT REDUCTION PROGRAM

15.42.1 Lessee agrees that it will participate in the County's Artificial Trans Fat Reduction (ATFR) Program, which mandates that no foods containing 0.5 grams or more of artificial trans fat per serving be stored, distributed, held for service, and/or used in the preparation of any menu item or in the Demised

Premises, except for food that is being served directly to consumers in a manufacturer's original sealed package. Lessee shall provide the written certification attached hereto as Exhibit J stating that it has reviewed and is familiar with the requirements of the ATFR Program and will promptly obtain approval as a participant from the County's Public Health Department. Further information can be found at www.lapublichealth.org.

- 15.42.2 Within 5 days of the County's execution of this Sublease, Lessee shall submit to the County's Public Health Department all required application materials for participation in the ATFR Program, and shall thereafter diligently pursue approval as an ATFR participant. Lessee's failure to do either of the foregoing shall constitute a material breach of this Sublease and shall be grounds for immediate termination by the County. County shall have the right, in its sole discretion, to extend the time limit for submission of any and all application documents.
- 15.42.3 Upon County's approval of the Lessee's participation in the ATFR Program, Lessee shall have the same rights and obligations as any voluntary member of the ATFR Program (e.g., use of Program decal/logo, status updating, etc.), except for the right to terminate participation and as otherwise set forth herein.
- 15.42.4 In addition to any remedies provided the County by the ATFR Program's rules, any failure by Lessee to comply with the ATFR Program standards shall constitute a material breach of this Sublease entitling the County to terminate the Sublease in its entirety or, if the Lessee provides service to multiple Demised Premises, with respect to the non-compliant facility. Prior to and/or in lieu of termination, the

County may also, at its discretion, do any or all of the following:

- a. Impose liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from Lessee's breach of this Section 15.42. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is \$100 per day per non-compliant facility and that Lessee shall be liable to County for that amount.
- b. Require removal of all ATFR Program logo, signage and other advertising materials from the non-compliant Demised Premises and from any other location where such materials are used by the Lessee, including without limitation menus, menu boards, and dining table tent cards.
- c. Require Lessee to cure its non-compliance with ATFR Program standards within a period prescribed by the County, in its discretion.

15.43 LESSEE PERFORMANCE

The County maintains databases that track/monitor lessee performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a contract term extension option.

15.44 USE OF EXPANDED POLYSTYRENE (EPS) FOOD CONTAINERS

The Lessee is required to comply with the County's policy on restricting its purchase and use of EPS food containers on County-owned facilities.

15.45 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Lessee shall maintain accurate and complete financial records of its activities and operations relating to this Sublease in accordance with generally accepted accounting principles. The Lessee shall also

maintain accurate and complete employment and other records relating to its performance of this Sublease. The Lessee agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Sublease. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, appropriate documentation for voided transactions (including approval for the void), and proprietary data and information, shall be kept and maintained by the Lessee and shall be made available to the County during the term of this Sublease and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Lessee at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Lessee shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

15.45.1 In the event that an audit of the Lessee is conducted specifically regarding this Sublease by any Federal or State auditor, or by any auditor or accountant employed by the Lessee or otherwise, then the Lessee shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Lessee's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Sublease. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

15.45.2 Failure on the part of the Lessee to comply with any of the provisions of this Sub-paragraph 15.45 shall constitute a

material breach of this Sublease upon which the County may terminate or suspend this Sublease.

- 15.45.3 If, at any time during the term of this Sublease or within five (5) years after the expiration or termination of this Sublease, representatives of the County conduct an audit of the Lessee regarding the work performed under this Sublease, and if such audit finds that the County's dollar liability for any such work is less than the payments made by the County to the Lessee, then the difference shall be either: a) repaid by the Lessee to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Lessee from the County, whether under this Sublease or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Lessee, then the difference shall be paid to the Lessee by the County by cash payment, provided that in no event shall the County's maximum obligation for this Sublease exceed the funds appropriated by the County for the purpose of this Sublease.
- 15.45.4 If the County notifies the Lessee that the Lessee did/does not, to the reasonable satisfaction of the County (1) adequately maintain the documents required under Section 15.45 of the Sublease, and/or (2) did/does not have adequate internal controls, such that financial records could contain errors and/or omissions that would not be prevented and/or detected in the normal course of business, and/or (3) if the County is not able to reasonably determine whether the Lessee reported and paid the correct amount due to the County under this Sublease, then the County will assess penalties specified in this section upon the Lessee.

- 15.45.5 The parties hereby agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Lessee to meet the requirements of this section of the Sublease, and that a reasonable estimate of such damages shall range from (1) **1% to 3%** of the total gross receipts for the period of time that the County determines the Lessee did not meet the requirements under this section of the Sublease, and/or (2) termination of this Sublease, determined at the sole discretion of the County.
- 15.45.6 In the event the County hires an Independent Certified Public Accounting firm (CPA) to perform an audit of the Lessee's gross receipts and/or payments to the County, and if the CPA concludes that, due to inadequate records maintained by the Lessee, the CPA is unable to issue an unqualified opinion as to gross receipts for the Lessee, the CPA may employ alternative methods to impute rent for the period of inadequate records and calculate rent due. The CPA (or the County) may use the Lessee's gross receipts last audited (in which an unqualified audit opinion was expressed), inflated by the Consumer Price Index for All Urban Consumers for the Los Angeles, Riverside, and Orange County areas. Interest/late fees may also be separately applied. In addition, the County may require the Lessee to pay for the cost of the CPA's audit.
- 15.45.7 In the event the County and/or a CPA firm concludes that the Lessee under-reported Gross Receipts to the County, and that under-reporting is equal to or greater than **5%** of the current or previous year's Gross Receipts reported by the Lessee, as determined at the sole discretion of the County, the Lessee shall pay for the cost of the CPA's audit and/or the

County's review (including County costs associated with the CPA's audit, such as monitoring the audit, etc.).

15.45.8 Lessee shall at all times during contract period and for five (5) years after the termination/expiration of the Sublease, keep, or cause to be kept, locally, to the reasonable satisfaction of the County true, accurate, and complete records for all accounting years covered by this Sublease. Records will show all transactions relative to the conduct of operations, and be supported by data of original entry. Records shall detail transactions conducted on or from the premises separate and apart from those in connection with Lessee's other business operations, if any.

15.45.9 All sales and/or services shall be recorded by cash registers or computers which automatically issue a customer's receipt or certify the amount in a sales slip. Cash registers shall have locked in sales totals and transaction counters that constantly accumulate and cannot be reset, and issue a tape (or other equivalent security mechanism) that imprint sequential transaction numbers and sales details. Beginning and ending cash register readings shall be made a matter of daily record. Signs shall be visibly posted near all cash registers requesting the payer to ask the cashier for a receipt and, if possible, the sign should include a sample of the appropriate receipt.

15.46 GREEN INITIATIVES

Lessee shall use reasonable efforts to initiate "green" practices for environmental and energy conservation benefits. Lessee shall purchase, store, and use environmentally and human friendly products that are compatible with products used by County. County shall determine and approve Lessee's products prior to their use.

16.0 MAJOR LEASE PROVISIONS AND REQUIREMENTS

This Lessee is granted subject to all rights and privileges retained by the United States of America, Department of the Army, (hereinafter: United States) within the Whittier Narrows Recreation Area pursuant to the provisions and conditions of the "Department of the Army Lease for Park and Recreational Purposes Whittier Narrows Flood Control Basin, No. DACW09-1-86-43" (hereinafter "Master Lease", as approved by the Board of Supervisors of Los Angeles County on April 14, 1987 and granted to County by the Secretary of the Army under authority of 16 U.S.C. 460d, as amended. Accordingly, the terms of the Master Lease are incorporated by reference herein. Lessee accepts and agrees to be bound by the following conditions:

- a. That the primary purpose of the Whittier Narrows Flood Control Basin is the flood risk management, and nothing herein expressed or implied shall be construed so as to conflict with that purpose.
- b. That the Demised Premises, as described hereinafter in Section 4, shall be subordinate to the use thereof by the United States in the operation and maintenance of the Whittier Narrows Flood Control Basin.
- c. That the exercise of the privileges granted herein shall conform to such rules and regulations as may be prescribed by the Secretary of the Army to govern the public use of the Whittier Narrows Recreation Area, and shall be subject to the general supervision of the District Engineer.
- d. That the United States shall be held harmless from all claims which may arise from or be incident to the exercise of the privileges granted herein.
- e. That the United States and the Los Angeles County Flood Control District shall not be liable for damages to property or injuries to persons which may arise from or be incidental to the exercise of the privileges granted herein or for damages to the property of Lessee, or for damages to the property or injuries to the person of Lessee and/or the officers, agents, servants or employees or others who may be on the Demised Premises at their invitation or the invitation of any one of them, arising from or incident to the flooding of said Demised Premises by the United States or the Los Angeles County

Flood Control District, or flooding from any other cause, or arising from or incident to any other governmental activities on the Demised Premises, and Lessee shall hold the United States, the Los Angeles County Flood Control District and the County of Los Angeles harmless from any and all such claims.

- f. That this Sublease shall be subject to the prior approval of the District Engineer.
- g. That charges for services rendered and for the use of the Demised Premises shall be reasonable and shall have the prior written approval of the District Engineer.

Notice 1015

(Rev. December 2012)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2012 are less than \$50,270 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2013.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2012 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2012 and owes no tax but is eligible for a credit of \$800, he or she must file a 2012 tax return to get the \$800 refund.

Safely Surrendered *Baby Law*

*Babies can be safely surrendered

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

**WHITTIER NARROWS COUNTY GOLF COURSE
RENTAL FEE SCHEDULE**

LEASE AGREEMENT TERM: 22 YEARS 3 MONTHS		
Fiscal Year	22 Year Rental Schedule	Estimated Incoming Rent
2013 - 2014	4.5 months	\$377,000
2014-15	12 months	\$1,005,000
2014 - 2036	250 months	\$37,193,000
TOTAL		\$38,575,000

FISCAL IMPACT – RECOMMENDED PROPOSER

Based on the terms of the Lease Agreement, the Department of Parks and Recreation's (Department) Operating Budget will realize Whittier Narrows County Golf Course estimated rent revenue of \$377,000 for Fiscal Year (FY) 2013-14 (four and one half months) and a total of \$38,575,000 over the recommended 22 year and 3 month term. The revenue will be collected on a monthly basis. The projections are based on a two percent annual fee increase which is consistent with the past history of County golf course fee increases.

The rent payments for years one through four to the County are based upon a percentage of revenue, specifically 25 through 31 percent of green fees, cart rentals and driving range fees. The Department anticipates receiving an estimated \$3,600,000 in revenues for years one through four. Commencing with year five of this agreement, County shall be entitled to the greater of a minimum rent of 80 percent of the actual rent paid to the County in year four of the agreement or a percentage of revenue based on the revenue fee schedule discussed below. The estimated annual minimum rent commencing year five of the agreement is \$800,000.

Additionally, upon execution of the recommended Lease Agreement with American Golf of Glendale (AGG), it shall deposit with the Department \$375,000, which shall be allocated to the Whittier Narrows Golf Course Capital Improvement Fund. Moreover, prior to the commencement of year three of the recommended Lease Agreement, AGG shall deposit with the Department an additional \$375,000, which shall be allocated to the Whittier Narrows Golf Course Capital Improvement fund. The Department has preliminarily earmarked these funds for the construction of a replacement banquet facility, which will result in additional rental revenue to the County.

FISCAL IMPACT - CURRENT OPERATOR

The current lease between the County and VICO, LLC (VICO) was assigned to VICO in 2006. It is presently on a month to month term. The minimum monthly rent due on the current lease is the greater of \$67,000 monthly (\$804,000 annually) or a percentage of revenues. However, VICO is delinquent in its rent obligations to the County. The Department, in conjunction with the Auditor-Controller, Treasurer and Tax Collector, and County Counsel, is preparing to commence action for the recovery of all rents due to County.

WATER EXPENSE

Pursuant to the terms of the current lease agreement with VICO, it does not pay for the water costs incurred at the facility. The current cost of water at this facility incurred by the Department for FY 2012-13 was \$530,000, FY 2011-12 \$482,000, and FY 2010-11 \$462,000.

Upon commencement of the new lease agreement with AGG, AGG will assume all water costs associated with the facility. The assumption of the water cost by the operator was a requirement of the RFP. The cost savings for DPR is estimated at \$530,000 annually. Additionally, the Department will no longer assume responsibility for any future increase in water rates.
